

LABOUR HIRE

BREAKING DOWN THE COSTS

Recruitment is a costly process - everyone knows this. However, when you are working with a labour hire company, you might think the charges are excessive. To put your mind at rest, take a look at our comprehensive breakdown of hiring costs with Flexi Personnel.

BREAKDOWN OF COSTS

WHY ARE RECRUITMENT AGENCIES SO EXPENSIVE?

On top of the base rates, there are important **post-payroll costs** as well as **insurance costs** and **additional business costs**.

Enhance OH&S processes through rigorous OH&S and Induction processes

Outsourcing recruitment helps eliminate costs - not add new expenses to the equation.

Your business gets a new worker, while the **recruitment agency** covers the **administration**.

HOW CAN FLEXI PERSONNEL MAKE A DIFFERENCE TO YOUR BUSINESS?

At Flexi Personnel, we pride ourselves on **adding value to your business**. Providing great quality candidates is just the first step.

We offer great flexibility

Allowing you to plan for any type of workforce you need.

We offer no commitment

Access our candidates when YOU need them. Even one-off assignments.

We offer the full HR service

We interview candidates, calling references and performing background checks. Every service is managed on your behalf.

We offer unattached payroll and administration

Let us cover sick pay, holiday time and timesheets as your workforce expands.

While the cost of using a labour hire agency might look exorbitant – recruiting the right candidate is just the tip of the iceberg. Partnering with Flexi Personnel offers a suite of Recruitment and HR Services to add value to your business and make the recruitment process simple – not complicated.
